

Medford Utilities Automatic Payment Plan

Your utility bill can be automatically paid each month from your checking or savings account.

Just fill out this form and return it to our office along with a deposit slip or voided check from your designated account. Automatic payment will begin 30-60 days after you have filed your application; your bill will indicate Paid by Draft when automatic payment has begun. Return completed form to Medford Utilities, 639 S 2nd St Medford, WI 54451.

With automatic payment plan you will still receive your normal monthly statement with a reminder that the amount will be automatically drafted from your account.

If your account does not have sufficient funds, the usual charges assessed by your financial institution and the utility will apply.

To stop automatic payment contact Medford Utilities, in writing, by the 20th of the month.
